English Conversation Group

For multilingual students seeking to improve their English language fluency. Build your conversational confidence in a supportive, informal setting. Meets Wednesdays, 2 PM - 3 PM. 2/24, 3/3, 3/10, 3/17, 4/7. [SIGN UP](#)

EMAIL-BASED WRITING TUTORING

Did you know you can email us your paper for written tips and feedback? Using your Lehman email (sorry, no personal email addresses), send your paper as a Word attachment to: online.tutoring@lehman.cuny.edu

Please share with us the course name and number, as well as the assignment guidelines. Also, let us know where you are in the writing process, and what you would like your tutor to focus on. A writing tutor will respond within 24-48 hours.

Science Learning Center (SLC) ONLINE WORKSHOPS

SLC workshops review lecture material for select courses in the natural sciences at Lehman. Dates and times TBA. No registration is required. Please call (718) 960-7707 for more info.

COURSE REVIEW WORKSHOPS

CHE 114: Essentials of General Chemistry (Kundu/Deri)
CHE 120: Essentials of Organic Chemistry (Chamala)
BIO 230: Microbiology (Walcott/Ng)

Course Review Workshops will be conducted one to two weeks prior to each exam. Students enrolled in classes eligible for course review workshops will receive advance notification via email.

PEER-LED TEAM LEARNING (PLTL)

CHE 114: Essentials of General Chemistry (Wallace)

CHE 120: Essentials of Organic Chemistry (Ravi)

Students in any section taught by instructors participating in Peer-Led Team Learning may attend PLTL workshops. PLTL Workshops will be conducted twice each week, and are course- and instructor-specific. However, students in other CHE sections are welcome to attend.

Supplemental Instruction (SI)

Supplemental Instruction (SI) offers peer-led review sessions for selected "traditionally difficult" courses. This semester, review sessions will be offered in Biology, Psychology, and Physics of Sound (PHY 140). Sessions are fa-

cilitated by a trained SI leader twice per week. To find out if there is an SI session for your course, check Blackboard, ask your professor, or see our website, www.lehman.edu/issp, for the SI course list this semester.

Academic Coaching

One-on-one meetings with an academic coach can help you build your toolkit for academic and personal success. Areas addressed include time management, study skills, test-taking and more. For more info, call (718) 960-8175 or visit <https://tinyurl.com/LEHmycoach>.
